What is the FAFSA? FAFSA stands for Free Application for Federal Student Aid, and it's the form that determines eligibility for federal loans, grants and work-study funds for college and graduate students. It's administered by the U.S. Department of Education, which is the largest provider of student financial aid in the nation. In Tennessee, we also use FAFSA to administer State Aid. It's the application for the HOPE Scholarship and an important step in being eligible for TN Promise. Who should fill it out? Every college student in Tennessee should complete the FAFSA. Most traditional high school and college-aged students will use their parents' information on the FAFSA. To see if you need to provide parent information on the FAFSA, visit studentaid.ed.gov.
